

Is Europe on the right road in reforming vehicle safety rules?

On 17 May, the European Commission proposed to reform existing regulations concerning vehicle safety technologies. Hosted by Member of the European Parliament Dr. Dieter-Lebrecht Koch, this event will bring key decision makers and stakeholders together in the European Parliament in order to discuss whether or not the Commission's proposal is taking the right approach to improving road safety. The meeting will take the shape of a 3 course meal in the Members' Salon of the European Parliament and is strictly by invitation only.

Room: Members' Salon in European Parliament

Type of event: 3 course meal

Time of event: 12.30 – 14.30 (registration from 12.00)

Moderator: Geoff Meade

Before/as first course is being served:

- MEP Dr. Dieter-Lebrecht Koch - Welcome and introduction

Once first course is finished:

- Commissioner Bienkowska – Key note speech (TBC)

During the second course:

- Dr. Ulrich Veh – Safety Director - ACEA
- Dr. Reinhard Kolke - Chief Technology Officer - ADAC

During the desert:

- Mr. Rudolf Kaschnitz - Transport Attaché, Austrian Permanent Representation

After desert:

- Closing remarks – MEP Ms. Róza Gräfin von Thun und Hohenstein (TBC)
